Motion graphics artist with a background in graphic design and a passion for animation, seeking employment as a motion designer in a creatively challenging work environment.

EXPERIENCE

POWERHOUSE ANIMATION

2D Compositor (2022-2024)

- Composite animation and background assets, utilizing vfx techniques, lighting, and color correction in order to create one cohesive scene
- Develop and execute animated visual effects for clients such as Sega, Netflix, and Mattel
- Render and manage final output of animations for client use across multiple digital platforms

PLANNED PARENTHOOD TEXAS VOTES

Graphics and Multimedia Specialist (2015 - 2022)

- Manage Planned Parenthood branding across Texas
- Develop digital and print assets for both internal and external use to increase supporter engagement
- Create motion graphics and videos to promote affiliate partnerships and educate the community on the need for reproductive rights

CAPMETRO

Graphic Designer (2013 - 2015)

- Work within a team of graphic designers to develop a rebrand of CapMetro vehicle livery and print/digital collateral
- Develop graphics for new services, changes to services, and design rider safety informational pamphlets
- Create new logos and icons for digital promotional materials
